DCI RESOURCE MANAGEMENT OBJECTIVES FOR FY 1976

OBJECTIVE NO. 1

Evaluate the performance of the Intelligence Community in meeting the DCI's FY 75 substantive objectives and response to the FY 75 Key Intelligence Questions; report the conclusions to the National Security Council Intelligence Committee for review and comment; present revised substantive objectives and Key Intelligence Questions for FY 76 to the NSCIC.

OBJECTIVE NO. 2

Review the programs of the Intelligence Community in the Intelligence Resources Advisory Committee. Submit to the President, through the Office of Management and Budget, independent recommendations for the National Foreign Intelligence Program. Support the President's intelligence budget before the Congress.

OBJECTIVE NO. 3

Provide leadership and guidance to the Intelligence Community, with the advice and assistance of the United States Intelligence Board and the Intelligence Resources Advisory Committee to include:

- Long-term Planning Guidance
- Production of National Intelligence
- National Plans for SIGINT, Imagery, and Human Source Intelligence
- Foreign Economic Intelligence Guidance
- Crisis and Warning Intelligence
- Protection of Intelligence Sources and Methods

OBJECTIVE NO. 4

Stimulate research, development, and application of techniques to improve intelligence collection processing, analysis, production, and presentation. Foster R&D cross-program technology sharing. Establish alternative or parallel research and development programs that hold promise to provide key intelligence in the event current collection resources are rendered less effective due to unanticipated technology advances by target nations.
